55. **QUESTION:** This is in reference to question #43: Section 5.1.2.8 requires a summary of project completion record:
(a) What do we have to include under this summary? All projects performed to date by offeror or all projects performed by the offeror with the past 5 years. All construction, design & O&M contracts or only construction contracts or only contracts featured in the pre-qualification submittal.

ANSWER: All contracts in the last five years.

- (b) Please note that some companies may be forced to submit thousands of projects to cover their entire history unless some criteria could be applied.

ANSWER: Last five years (see a. above)

- (c) Can this section (5.1.2.8) be an appendix and be excluded from the 50 page limitation? (This question has already been addressed as question # 47 and has not been answered).

ANSWER: No. Please include the information requested in the 50 page limit.

56. **QUESTION:** This is in reference to question #44: The issue of removing the standard quality control procedures from the limitation is not addressed in amendment # 2 as you suggested in your response to question #44.

ANSWER: No. Please include the information requested in the 50 page limit.

57. **QUESTION:** This is in reference to question #49: Section 5.1.2.9 states that safety information is required for each of the contracts stated in section 5.1.2.2. Note that section 5.1.2.1 is not restrictive to the projects depicted under the experience section 5.2.1. Section 5.1.2.1 theoretically could source information from hundreds of projects. Suggest that safety information be required by projects addressed in 5.2.1 only. Please note that this RFP requires awards, client surveys as they relate to 5.2.1, which may be very brief in description or just partially related to this contract?

ANSWER: Safety information should be submitted as indicated.

58. **QUESTION:** This is in reference to question #50: Need clarification. If 4 pictures are shown on 1 page, each with 2-line caption totaling 8 lines, would it still be considered a page?

ANSWER: No. It is not considered a page.

59. **QUESTION:** Is there a central clearinghouse of information concerning the project such as bid schedules, project schedules, etc?

ANSWER: Included in RFP when issued.

60. **QUESTION:** I understand there will be an antenna placed on Shemya Island and want to confirm such information such as fiber optic cable installation to the site, which organization will handle the communications contracts, etc.

ANSWER: Others will handle communications contracts.
